 - 2.3.4.13.3. dismantle the stands within the period and time indicated in the Lease Agreement.
- 2.3.4.14. Loading and unloading goods:
 - 2.3.4.14.1. For safety and organizational reasons, loading, unloading and transport of goods as well the assembly and dismantling of construction on the grounds of the

Warsaw EXPO XXI Centre with the help of driver-operated vehicles and machinery such as cranes, fork-lift trucks, sky lifts, working platforms, etc. may be carried out solely by companies authorized by the Lessor, including the Lessee forwarding agent.

2.3.4.14.2. The use of mechanical equipment by companies other than those mentioned above must have the prior written approval of the Lessor,

2.3.4.14.3. The exclusive right to use manual transport trucks, pallet lift trucks etc. on the grounds of the Warsaw EXPO XXI Centre have the following: exhibitors – to service their own stands - to service their own stands, the Lessee – to his own needs, companies authorized by the Lessor.

2.3.5. The same regulations apply to Open Area.

2.3.6. Dismantling the Event:

2.3.6.1. The Lessee is obliged to complete the dismantling in accordance with the time agreed upon in the Lease Agreement.

2.3.6.2. The completion of works specifically includes the removal of the exhibits, construction elements, floor covering together with tapes and advertisements of the Event.

2.3.6.3. In case of exceeding the Lease Period, the Lessee shall be charged the costs of the extended operation of the Warsaw EXPO XXI Centre as well as the costs of removing the remaining elements of the Event.

2.3.6.4. The Lessee or the Client should possess the relevant customs clearance and transport documents for exhibits imported from abroad for the duration of the Event.

2.3.6.5. After completion of the disassembly, the Lessee is obliged to remove all elements of the stand, decorations and exhibition elements outside the grounds of the Warsaw EXPO XXI Centre. Additional fees for the removal and waste utilization will be calculated for elements of the stand, decorations and exhibition elements left after the disassembly of the stand.

2.4. TELECOMMUNICATION AND INFORMATION TECHNOLOGY SERVICES

2.4.1. The order for telecommunication as well as information technology services should be sent through the Lessor or directly to the authorized supplier of telecommunication and information technology services.

2.4.2. The order should be submitted not later than 14 days before the Event. In case of exceeding this period, the service supplier is authorized to change the price of the services, in accordance with the information included in the order form.

2.4.3. The price of the services ordered through the Lessor shall be increased by a commission in the amount of 10% of the net value of the ordered services.

2.4.4. The order should include a completed and signed order form, prepared in accordance with the sample currently in force, as well as the plan with the precisely indicated areas of connections.

2.5. CATERING SERVICES

- 2.5.1. Subject to the provisions of article 2.5.3 hereinafter, the catering service provider, authorized by the Lessor has exclusive right to provide catering services on the grounds of the Warsaw EXPO XXI Centre, paid by the clients. The organization and providing of any catering services by other companies or entities on the grounds of the Warsaw EXPO XXI Centre is forbidden. In case of discovering the point rendering such services operated by a different company during the Event, the representative of the Lessor is authorized to immediately shut down the location as well as providing of this service impossible.
- 2.5.2. With the consent of the Lessor, the catering service operator authorized by the Lessor is authorized to set up additional sales outlets on the grounds of the facility, outside the permanent point, which is the central bar, located in Hall No. 2.
- 2.5.3. The catering services for conferences, congresses or other than fair Events, provided free of charge by the Lessee for the such Event's participants, may be provided by the catering service provider, authorized by the Lessor or other companies providing such services.

2.6. EXHIBITS

- 2.6.1. Motor vehicles or other equipment with combustion engines can be exhibited on the area of Warsaw Expo XXI Centre only if they comply with the fire safety regulations.
- 2.6.2. Lessee must provide the EXPO XXI Technical Director with information about technical parameters and exhibit features, which may be dangerous as well as obtain the consent of the EXPO XXI Technical Director to bring them into Warsaw EXPO XXI Centre.
- 2.6.3. Permission from the Lessor and the written approval of Technical Director are needed to exhibit the following:
 - 2.6.3.1. moving equipment,
 - 2.6.3.2. stationery and steered gas filled balloons,
 - 2.6.3.3. other equipment and installations which could be dangerous for people and property.

2.7. ADVERTISEMENT

- 2.7.1. Advertisement on the premises of the Warsaw EXPO XXI Centre requires the approval of EXPO XXI's Technical Director and outside the Subject of Lease is payable. Lack of consent shall result in the removal of the advertisement at the expense and risk of the Lessee or the Client.
- 2.7.2. Advertisement, especially acoustic and visual cannot endanger public safety and order and cannot cause any disturbance on the Warsaw EXPO XXI Centre area.
- 2.7.3. The assembly and hanging of the advertisements for a certain Event can take place solely during the installation period, stipulated in the Lease Agreement.
- 2.7.4. The period of using the advertising space for a given Event is stated in the Lease Agreement.

- 2.7.5. In case of printing advertising material by the Lessee on his own (banners, billboards, etc.) he is obliged to deliver them to the Lessor no later than one day before the commencement of the assembly of the Event.
- 2.7.6. All prepared and delivered by Lessee advertising materials must be prepared in accordance with the advertisement order form, currently in force.
- 2.7.7. In the event the Lessee orders the printing of advertising materials to the Lessor, he is obliged to deliver the design to the Lessor, prepared in accordance with the provisions indicated in the advertisement order form, currently in force. In a situation in which the design does not fit the provisions, the Lessor has the right to refuse the printing of the advertising materials. The design, prepared with due diligence should be delivered to the Lessor no later than 2 weeks before the assembly time.
- 2.7.8. All the advertising materials (banners, flags, stands, etc.) which are not collected within 3 days from the end of the Event shall be utilized by the Lessor the expense and risk of the Lessee.
- 2.7.9. The basis for realization of advertising services is the delivery to the Lessor of a signed copy of the advertising order form, currently in force.
- 2.7.10. The use of balloons for advertising purposes on the trade fair grounds requires the permission of the Warsaw EXPO XXI Centre Technical Director.

2.8. ADDITIONAL PROVISIONS

- 2.8.1. Running of any commercial activities without the prior written consent of Warsaw EXPO XXI is forbidden.
- 2.8.2. Bringing alcohol to the Warsaw EXPO XXI Centre area is forbidden, unless agreed earlier with the Lessor.
- 2.8.3. On the area of the Warsaw EXPO XXI Centre, consumption of alcohol is allowed only in areas designated for this purpose (bars), unless the Lease Agreement states otherwise.

3. FIRE SAFETY REGULATIONS (excerpt from the EXPO XXI Fire Safety Regulations)

- 3.1. The Lessee organizes the area of Warsaw EXPO XXI Centre by abiding the following rules:
 - 3.1.1. The Lessor shall indicate the fire zones for permanent facilities and the surrounding open space.
 - 3.1.2. The distance between the fire zones cannot be less than 10 m.
 - 3.1.3. Flammable items located in the open space next to glass partitions/walls of the permanent Halls should be at a distance of no less than 5 m from them.
 - 3.1.4. The trade and services complex structures should not exceed the area of 1000 m² and the distance between each of them cannot be less than 10 m.
 - 3.1.5. Stands larger than 150 m² or longer than 20 m must have at least two separate entrances, preferably located on two separate sides.
 - 3.1.6. In specific cases when the above conditions cannot be met, written consent must be obtained from the Lessor fire services.
 - 3.1.7. Designated communication and evacuation pathways must be clear at all times. It is forbidden to park vehicles or deposit anything in these places. Vehicles or goods left there will be removed for a fee.

- 3.1.8. All fire equipment (fire extinguishers, fire alarm push-buttons, hydrants, fire detectors), general telephones, evacuation exit doors and their signs must be visible and accessible at all times; blocking them is forbidden.
- 3.2. The following is forbidden on the Warsaw EXPO XXI Centre area:
 - 3.2.1. The use of open fire in the Halls and the external stalls.
 - 3.2.2. Smoking, besides the assigned area.
 - 3.2.3. Storing any packages, papers and other fire hazardous materials outside the stand.
 - 3.2.4. Blocking access to power switching stations, hydrants, hand fire-fighting equipment, fire alarm push-buttons, electric power switches, etc.
 - 3.2.5. Blocking (especially with parked cars) fire access roads leading to Warsaw EXPO XXI Centre (fire access roads are specified in the Warsaw EXPO XXI fire safety regulations) as well as roads, passages, evacuation exits and communication pathways.
 - 3.2.6. Stocking and storing flammable materials and using flammable materials or materials that can form explosive compounds as cleaning agents.
 - 3.2.7. Leaving machines or any technical equipment not cleaned from liquids, dust, lubricants, oils and production waste after work or demonstration.
 - 3.2.8. Leaving greased or oiled rags, cleaners and substances, without proper safeguarding substances, the mutual interaction of which may result in self-ignition or explosion.
 - 3.2.9. Using balloons filled with combustible gas.
 - 3.2.10. Bringing in and using any combustible gas cylinders including the tourist cylinders without separate agreements with Warsaw EXPO XXI Centre fire services.
- 3.3. Safe storage methods and locations for flammable and poisonous materials have to be agreed upon with Warsaw EXPO XXI Centre fire services each time they are needed.
- 3.4. Motor vehicles or other equipment with combustion engines can be exhibited in the Halls only if they comply with the following conditions:
 - 3.4.1. the fuel tank may contain only the minimum quantity of fuel necessary to remove the vehicle or other equipment from the Hall,
 - 3.4.2. the fuel tank must be closed,
 - 3.4.3. the battery must be permanently disconnected.
- 3.5. The equipment, the surface of which can heat to temperatures above 100 degrees Celsius must be placed at the safe distance from walls and any flammable materials agreed each time with the Warsaw EXPO XXI Centre fire services.
- 3.6. Users of the equipment running on electricity or combustible gas are forbidden to make any modifications and repairs themselves and furthermore the following is forbidden:
 - 3.6.1. Using defective electrical or gas installations,
 - 3.6.2. Using electrical or gas installations which are not complaint with the designs agreed upon with the Lessor,
 - 3.6.3. Leaving electrical equipment such as heaters, cookers, irons, kettles, etc. connected to power without any supervision. Each of the users and the particular the Client are obliged to turn off the electrical power supply to their stand each time before leaving it,
 - 3.6.4. Placing heating equipment on a flammable base,
 - 3.6.5. Cover light bulbs and other lighting points with flammable materials.

- 3.7. Only non-flammable, slow-burning or fire resistant materials may be used for stand construction. The use materials that explode while burning is forbidden.
- 3.8. The use of flammable floor coverings on communication and evacuation pathway and staircases is forbidden. In exceptional and justified cases, with the prior consent of the Warsaw EXPO XXI Centre fire services, slow-burning floor coverings may be used on communication and evacuation pathways (with the exception of staircases).
- 3.9. Organizing pyrotechnical shows is forbidden.
- 3.10. The Clients should refrain from any action that could reduce the level of fire safety. In the event a specific exhibition may create serious fire hazards, it is the Client's duty to provide extra fire protection by themselves in the manner agreed upon with the Warsaw EXPO XXI Centre fire services.
- 3.11. Manual fire extinguishers must not be used for any other purposes.
- 3.12. Stand construction contractors, inside and outside the Warsaw EXPO XXI Centre, are obliged to:
 - 3.12.1. Strictly observe fire precautions and specially issued by the Lessor regulations in this extent,
 - 3.12.2. Acquaint themselves with the location and methods of use of the of hand fire extinguishers, fire alarm switches, indoor and outdoor hydrants in the event of a fire
 - 3.12.3. Comply immediately with orders on the area of Warsaw EXPO XXI Centre fire services regarding fire safety on stands inside and outside the Halls.
- 3.13. Any noticed fault or irregularity in fire safety equipment on the area of Warsaw EXPO XXI Centre must be reported immediately to the fire services or other staff of the Lessor.
- 3.14. In the event of a fire on Warsaw EXPO XXI Centre premises the National Fire Brigade should be alarmed immediately by dialling 998 and/or with the fire alarm switch. The representative of the Lessor in charge of fire extinguishing and rescue work must be obeyed absolutely until the National Fire Brigade arrives and its officer takes over the command.
- 3.15. For the duration of the Event, the Lessee is obliged to ensure the presence of the person responsible for observing the fire safety regulations, possessing the relevant qualifications.

4. REGULATIONS REGARDING MATERIALS DANGEROUS TO HEALTH AND THE ENVIRONMENT

- 4.1. Permission for the use of all laser equipment as well as equipment that emits ionizing radiation (radioactive, X-rays) in exhibition conditions on the area of Warsaw EXPO XXI must be obtained from the Government Inspectorate for Nuclear Safety and Radiation Protection.
- 4.2. The disposal of waste materials hazardous to health and the environment (oils, emulsions, acids, fats, varnishes, etc.) together with other waste or via the sewage drains is forbidden. Such waste must be disposed of at the user's expense (this service has to be commissioned to the Lessor).

5. HEALTH AND SAFETY REGULATIONS

- 5.1. The Clients bear all responsibility for the health and safety of their staff working on the Warsaw EXPO XXI Centre area and for any accidents that result from the lack

of supervision or negligence of health and safety requirements for the period of exhibition assembly, use and dismantling, or Object of the Lease for other purposes.

- 5.2. Machines, engines, apparatus and other equipment may only be started up if they are equipped with safety features, specifically with screens and barriers preventing unauthorized access.
- 5.3. The start up of any machine or equipment which does not meet safety requirements or operation by unauthorized staff is forbidden.
- 5.4. A special area must be allocated and safeguarded for demonstrating machines or other moving equipment.
- 5.5. All staff and other entities working for the Lessee as well as the Clients must possess valid Occupational Health and Safety Training Certificates.
- 5.6. Accessible glass edges must be sanded down to eliminate the risk of injury.
- 5.7. Statutory Polish Health and Safety regulations, which should be observed by all users of the Warsaw EXPO XXI Centre, apply to all health and safety matters not covered by these provisions.

6. EXPO XXI BASIC TECHNICAL SPECIFICATIONS

- 6.1. Exhibition space – gross:
 - 6.1.1. Hall 1 - 5250 m², usable area W 42 m x L 125 m
 - 6.1.2. Hall 2 - 1050 m²
 - 6.1.3. Hall 3 - 3600 m², usable area W 48 m x L 75 m
 - 6.1.4. Hall 4 - 3600 m², usable area W 38,5 m x L 93,5 m
- 6.2. Height of the premises:
 - 6.2.1. Hall 1 – total 10 m, usable 8 m
 - 6.2.2. Hall 2 – total 4 m, usable 3.7 m
 - 6.2.3. Hall 3 – total 10 m, usable 8 m
 - 6.2.4. Hall 4 – total 12 m, usable 10 m
 - 6.2.5. Garage under Hall 1: 2,2 m.
- 6.3. Loading gates dimensions:
 - 6.3.1. Height – 4,3 m
 - 6.3.2. Width – 4,6 m
 - 6.3.3. Additional special loading gate in Hall 4: width - 4,6 m and height - 5,0 m
- 6.4. Goods lift in Hall 1 to the storage area in the basement and Hall level:
 - 6.4.1. Door dimensions: width - 2.0 m, height - 2.1 m
 - 6.4.2. Lift interior dimensions: width: 2.7 m, depth 3.6 m, height 2.3 m
 - 6.4.3. Loading capacity – 3000 kg
- 6.5. Passenger lift in Hall 2 to the underground car park: Dimensions: width - 1.1m, depth 2.3 m, height - 2.0 m. Loading capacity - 1250 kg
- 6.6. Passenger lift in Hall 2:
 - 6.6.1. Door dimensions: width – 0,9 m, height - 2.00 m
 - 6.6.2. Lift interior dimensions: width: 1,10 m, depth 1,40 m, height 2,10 m
- 6.7. The following maximum floor load is admissible:
 - 6.7.1. Hall 1 – 800 kg/ m²
 - 6.7.2. Hall 2 – 500 kg/ m²
 - 6.7.3. Hall 3 – 3000 kg/ m²
 - 6.7.4. Hall 4 – 6000 kg/ m²
- 6.8. Halls 1,3 and 4 have a ducting system with media distribution networks: electrical installation, water and sewage installation, telephone and internet installation.

In Hall 2 connections to installation are located in the recesses on the walls and on some construction pillars.

- 6.9. Electrical installation characteristics:
 - 6.9.1. 5 conductor cable installation,
 - 6.9.2. shock prevention by variable current switches,
 - 6.9.3. connection to EXPO XXI power network after completing installation in accordance with the electrical drawing design and terminating it with electrical boxes,
 - 6.9.4. allocated 24 hr 230 V circuits.
- 6.10. Water inflow and outflow:
 - 6.10.1. inflow diameter - 15 mm
 - 6.10.2. outflow diameter - 50 mm
- 6.11. All exhibition and conference rooms are equipped with fire alarms (smoke and temperature detectors).
